ENFORCEMENT BILL NOW LAW PASSES SENATE

Washington, Oct. 29.—By a vote of 65 to 20, the senate passed the prohibition enforcement act over the president's veto and made immediately effective machinery for preventing sale of beverages containing more than one-half of 1 per cent alcohol.

While there was a wrangle over taking up the measure in place of the peace treaty, which had the right of way, there never was doubt as to how the senate stood. It was overwhelmingly dry, like the house, which re-passed the bill within three hours after the president had vetoed it.

Before congress finally enacted the enforcement law, despite presidential objection to linking wartime and constitutional prohibition acts, there came from the White House the announcement that the wartime law, which was put into effect after the cessation of hostilities, would be annulled the moment the senate formally ratified the German peace treaty.

It was the most definite of all official or semi-official statements bearing on the wartime act. Prohibition leaders were plainly disturbed by the news, for they had counted firmly upon the country's reaching the effective date of constitutional prohibition, Jan. 16, 1920, without reopening of saloons.

The following senators voted against overriding the veto: Republicans—Borah, Brandegee, Calder, Edge, Fall, France, LaFollette, McLean and Penrose—9. Democrats: Gay, Gerry, Hitchcock, King, Phelan, Ransdell, Robinson, Shields, Thomas, Underwood and Walsh of Massachusetts—11. Total against 20. Both Ohio senators, Pomeroy and Harding, voted to override the veto.

Despite the clamor set up by wet and dry forces over the White House pronouncement, senate leaders said they would delay the treaty simply to tion of the treaty as heretofore. Senators who have taken an active part in the prohibition campaign branded as unfair and absurd reports that they would delay the treaty simply to keep the liquor traffic from getting a foothold in the comparatively short period remaining before the country will go dry for good.

BOMB MYSTERY NOW SOLVED IN GANG'S ARREST

Cleveland, O., Oct. 29.—With the arrest of five men and one woman here police believed today that the key to the solution of the bomb plot mystery of last June when eight homes of prominent men throughout the country were bombed is at hand.

Further arrests here and in several of the cities in which the June bomb outrages took place are expected to follow. Detectives today were on their way to Chicago, Washington and other cities to co-operate in bringing about additional arrests.

"We believe these arrests will open the trail to the most dangerous anarchistic circle in the country that has been at work in more than 100 cities throughout the country," declared Police Captain Martin Lavelle, who has spent all of his time since last June to running down the bombers.

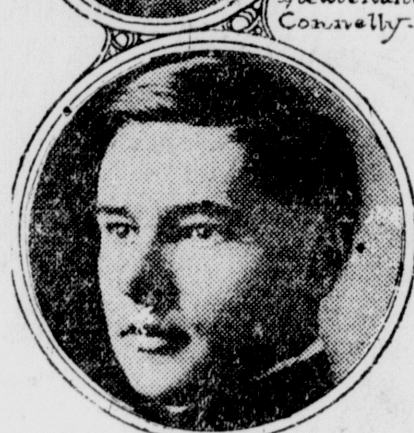

Information which brought about the arrests last night came from Chicago. According to the "tip" the central police station here was to be blown up as the officers assembled for roll call in the evening. It was to have been an inside job, one of the members of the gang planning to seek a position on the force in order to plant the bomb.

Additional information secured by Captain Lavelle and his assistants indicated that the gang was planning a wide spread bomb attack for next spring.

THIEVES PURLOIN LIQUOR

Youngstown, Oct. 29.—Thieves broke into the Pabst Brewing Company's warehouse here and stole four barrels of whiskey and half a barrel of gin. The theft was discovered last night.

AMERICAN AIRMEN SLAIN BY MEXICANS.

Lieutenants Cecil H. Connolly, of San Diego, and Frederick B. Waterhouse, of Weister, Ida., United States Army aviators missing since August 21, were slain by two Mexican fishermen in Lower California, according to an official announcement made at San Diego. The announcement was made on the arrival at San Diego of the destroyer Aaron Ward, bringing the bodies of the two aviators from Bahia, Los Angeles, on the Gulf of Lower California, to which point they had flown after losing their way in a border patrol flight from Yuma, Ariz. The slayers of the aviators, according to the announcement, were from a Mexican sloop, and are known to the American and Mexican authorities.

CONDUCT RESEARCH INTO 'FLU' CAUSES

Columbus, Ohio, Oct. 29.—Because of the causes of influenza epidemics are unknown, research work in the medical laboratories is essential to combat a return of this epidemic, according to Dr. A. W. Freeman, state health commissioner.

Isolation of flu patients and education of the public along the lines of personal sanitation are advocated. Prohibition of public gatherings are characterized by Dr. Freeman as delaying rather than preventing influenza.

Laboratory investigation, he says, has proven that there is adequate means to combat pneumonia. Dr. Freeman says that while medical authorities did not learn much about the influenza, they did learn much about pneumonia which would be of value.

FIRE DAMAGES HOUSE TODAY

Fire, believed to have started from a spark from the flue, caused damage to the roof and attic at the home of Mrs. J. O. McCormick on East Market street at 12:30 o'clock Wednesday afternoon.

The fire was discovered by a small boy on his way to Central school. Firemen chopped a hole in the roof to get at the blaze which they extinguished with chemicals without throwing any water.

ROBBERS KILLED AFTER RUNNING FIGHT OF BLOCKS

Toledo, Oct. 29.—Thousands witnessed a battle late last night in which Thomas McHenry, 30, an alleged robber, was killed, and policeman Claude Carl and four bystanders wounded. McHenry was caught in the act of robbing a pawn shop and when Officer Carl attempted to arrest him a gun battle started. Carl was wounded but other officers took up the chase and more than fifty shots were fired. After ten blocks a bullet through the heart halted McHenry.

RAIL MEN WATCH WASHINGTON TO DETERMINE ACT

Washington, Oct. 29.—Union railroad workers to the number of nearly 2,000,000 are watching Washington today.

Whether a general railroad strike will be called, stopping every railroad wheel in the nation, hinges on the answer forthcoming some time today from the railroad administration to the demands of the Brotherhood of Railway Trainmen and the Brotherhood of Railway Conductors.

Whatever the answer is, the other railroad organizations which have presented demands will take it as a cue of what they may expect. If it is unsatisfactory, the heads of the four big railroad brotherhoods, officers of the fourteen railroad organizations affiliated with the American Federation of Labor and other railroad representatives gathered in Washington will decide on general action at a meeting tonight.

SUGAR DEMAND INCREASE MAKES SUPPLY SHORT

Washington, Oct. 29.—Sugar consumption in the United States has increased 350,000 tons a year as a result of the country's going dry, asserted Herbert Hoover, former food administrator, in testifying today before the house committee investigating war department expenditures in foreign countries.

As a result of this unexpected demand the country faces a temporary shortage of sugar, Hoover continued, although the available supply for the next two months is larger than last year.

LARGE ATTENDANCE AT RED CROSS DINNER FRIDAY INDICATED

Reservations for places at the Red Cross dinner to be given in the rooms of the Chamber of Commerce Friday evening at 6:30 o'clock, are coming in rapidly and indications point to an unusually large attendance.

Red Cross Headquarters here is urging that the township chairmen call the Red Cross office in the Kingsbury building and report how many workers from their district expect to attend the dinner. Workers and others interested in Xenia city should also make their report as soon as possible.

The dinner will be the last opportunity of the workers to get together before the campaign which starts next week.

Miss Florence Bullard, Red Cross nurse, who has spent two and one-half years in nursing work overseas, and who is an interesting speaker, will deliver the principal address at the dinner, and there will also be a number of local speakers. A charge of fifty cents a plate will be made to cover the expenses of the dinner.

SUICIDE SUCCEEDS FINALLY.

Youngstown, O., Oct. 29.—George Schuler, 35, hanged himself at his home last night. It was his third attempt at suicide. A widow and three children survive.

DIVERS COMMENCE SEARCH FOR BODIES OF THE VICTIMS CAUGHT IN VESSEL; SIX NOW RECOVERED

Muskegon, Mich., Oct. 29.—Acting on orders from Washington, G. Lufberg, federal steamship inspector for this district, today ordered the crew of the lake steamer City of Muskegon, wrecked here yesterday with the loss of 21 lives, to remain in this city, pending a full investigation by his department.

Officials of the Crosby line, which operated the wrecked vessel, members of the crew and passengers will be summoned in the inquiry. The investigation will be along three lines, it was said today.

The first will deal with the condition of the old steamer; the second with the conduct of the officers and crew when the boat crashed into the pier and the third with the work of the U. S. Coast guard in rescuing passengers and crew.

Muskegon, Mich., Oct. 29.—Divers today began a search for the bodies of

PLAYERS CRIPPLED TEAM NOT SCHEDULED FOR GAME THIS WEEK

With several players crippled and the team demoralized by recent defeats, there will be no game played this week by the football eleven of Central High School.

Coach V. L. Faires made an effort to book Troy here Friday, but the Miami county outfit is apparently satisfied with the defeat they handed the locals two weeks ago.

Greenville had previously cancelled the game for this week, so Coach Faires will make no further attempts to secure a game. Reports from the camp of the blue and white gridders are very discouraging at present.

Captain Riddell is suffering from a badly injured shoulder, while "Bing" Knee, is out of the pastime for a while with three cracked ribs. The Middletown game produced its other cripples in lesser degree and the two weeks lay-off is expected to put them in shape for the hard games to come.

Coach Faires has also cancelled the game with East High of Columbus which was scheduled for next week, but a game to replace that contest will be arranged soon.

\$2,000,000 PLANT IN CANTON

Canton, O., Oct. 29.—Canton and Youngstown capitalists have organized the Superior Sheet Steel company and will soon begin work on a \$2,000,000 plant here. The company is headed by Henry A. Roemer, former assistant general manager of the Canton Sheet Steel company. The plant will employ 800 men and it is planned to have the first mills in operation May 1.

Enlisting in the officers' training camp at Camp Benjamin Harrison Mr. Myers was commissioned a lieutenant. He is a college man, and has a very pleasing personality, and we bespeak for him much success on these papers.

MINE WORKERS REACH DECISION, DRASTIC ACTION MAY RESULT

Indianapolis, Ind., Oct. 29.—A strike of soft coal miners of the nation is inevitable.

This was the general opinion of officials of the United Mine Workers as they went into conference here today to frame a reply to President Wilson's plea that the strike order calling out half a million miners at midnight Friday, be recalled.

Only two possibilities appeared to stay a tie-up of the bituminous coal production of the United States—drastic action by the government or overtures from the operators paying the way for an agreement.

"Status quo prevails," was the final word of John L. Lewis, acting president of the mine workers, as the doors of the conference room closed upon the executive session.

INVESTIGATE WAR EXPENDITURES AT CHILLICOTHE

Columbus, O., Oct. 29.—Two startling statements were made here today by witnesses testifying in the government's investigation of war time expenditures at Camp Sherman.

Major A. N. Baznah, of the quartermaster's corps, who has been at Camp Sherman since the camp opened as superintendent of transportation, testified that he was offered from \$5 to \$10 a day for each truck he would hire from a trucking company.

M. L. Stephenson, Columbus contractor, said he was discharged because he would not agree to turn in time for men not at work and split the money three ways with a time-keeper and superintendent of carpenter construction.

Major Baznah, quiet and unassuming, testified that after the construction work of the camp had been completed by the A. Bentley and Sons Company, a representative of the K. and S. Motor Truck concern came to his office and asked that trucks which had been used by Bentley be retained by the government. During the course of the conversation, the representative of the truck company said according to Major Baznah, that he had paid a man by the name of Trevalis, who was superintendent of the Bentley company from \$5 to \$10 a day for each truck used.

Other officials of the union agreed heartily with this view. In addition, some of them pointed out that the operators would take advantage of the delay to work the mines to capacity, piling up reserve stocks and placing the union at a big disadvantage should the tribunal's efforts come to naught.

Direct negotiation with the mine owners, however, would be welcomed by the union. Vice President Lewis, Secretary Green and members of the executive board were unanimous in declaring that they stood ready "as before, to negotiate a wage scale without reservations." They emphasized the last two words and charged that the employers would not negotiate except on conditions which the union men were powerless to fulfill.

It is believed the conference will draft and adopt a reply to President Wilson.

LOCAL MARRIAGE OF COUPLE LARGE AFFAIR

Miss Hallie May Jacoby, daughter of Mr. and Mrs. Melvin Jacoby of Goes Station, became the bride of William A. Fisher of this city, Tuesday evening, the service being read by the Rev. Albert Read at 8 o'clock at the residence of the First Baptist church.

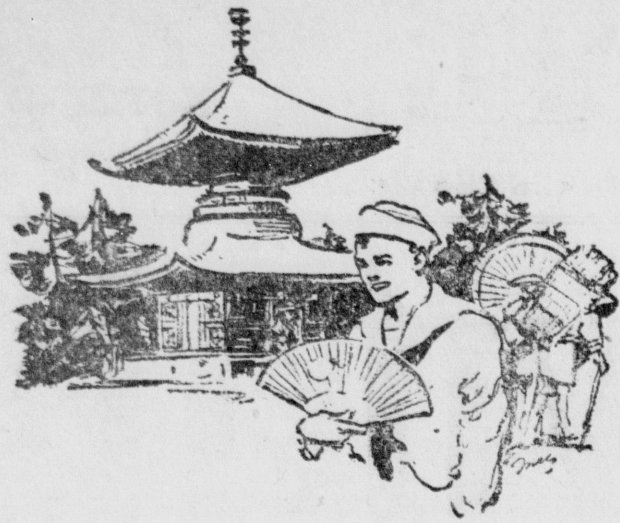

Mr. and Mrs. William A. Fisher, whose marriage took place recently were the attendants.

The bride wore a brown silvertone suit with blouse hat and shoes in the same shade, and a corsage bouquet of sweetheart roses. Mrs. Fisher also wore a brown suit.

Mr. and Mrs. Fisher left Xenia at 8:40 for Chicago, where they will enjoy a honeymoon visit. They will be at home in The Mooreland, on West Main street.

ADmits \$50,000 THEFT FROM AMERICAN EXPRESS

Canton, O., Oct. 29.—Charles Pine, just freed 23 of this city held on the charge of robbing the H. D. Brower clothing store, admits the theft of \$50,000 worth of currency, thirty bonds and money orders from the office of the American Railway Express company at the Pennsylvania station here, police say. Pinehart says that the money orders were all burned because he feared that he might be traced if he attempted to cash them.

Talk about adventures!

Men in the Navy come home with the kind of experiences that most chaps read of only in the books.

Here's your chance!

Uncle Sam has, as you know, a big Navy and gives red-blooded young fellows like you an opportunity to step aboard and "shove off".

What will you get out of it? Just this:

A chance to rub elbows with foreign folks in strange parts of the world.

The chance for good honest work on shipboard—the kind of work that teaches you something real; the kind of work that puts

beef on your shoulders and hair on your chest.

You will get 30 care-free vacation days a year, not counting shore leave in home or foreign ports.

You will have the kind of comradeship in travel that sailors know.

You will have regular pay, over and above your meals, lodging and your first uniform outfit—good stuff all of it.

You can join for two years. When you get through you'll be physically and mentally "tuned up" for the rest of your life. You'll be ready through and through for SUCCESS.

There's a Recruiting Station right near you. If you don't know where it is, your Postmaster will be glad to tell you.

To any Father and Mother:—
In the Navy your boy's food, health, work and play, and moral welfare are looked after by responsible officers.

PLAN CHORUS FOR MUSIC CLUB

Organization of a chorus within the club which will receive instruction every Saturday evening under Mr. Earl Gophart of Dayton, was a feature discussed at a business meeting held by the Xenia Women's Music club when they met for their fortnightly program at the home of Miss Shoup on East Main street Monday afternoon.

There are about twenty-four members of the club who sing and all these it is expected will be members of the chorus. Others may come in later. The object is to obtain concerted work. The club is also planning to give a cantata, "King Rene's Daughter," in May.

Miss Helene Jobe was leader of the program at the Monday meeting, and her paper on the topic for the day, "Beginning and Development of the Music of England," was interesting and unusual. The paper was "illustrated" by Mrs. Meda Cowdy, who sang songs representative of the music of the different centuries. Her first song was a thirteenth century composition "Summer is a-Coming in." This is the oldest known composition of any country that can be read. For sixteenth century music she sang British Grenadier, and for the seventeenth century a ballad "Barbara Allen."

Mrs. Harry Armstrong sang "Let Me Dream Again" by Sir Arthur Sullivan, opening the regular musical program. This was followed by a comprehensive and well prepared paper on Handel by Mrs. Herron. Following her paper Mrs. Floyd Allen sang a selection from Handel's opera Atlanta.

She also sang "My Laddie Comes on a Skec," by Leighton.

Negro melodies by Coleridge Taylor, played by Mrs. C. H. Little, were greatly enjoyed.

A piano number "Pomp and Circumstance" by Sir Edgar Elgar, was played by Miss Shoup, and Mrs. Gowdy's solo, "Swallow" by Cowen, illustrating twentieth century English music, closed the program. The club will hold its next meeting Nov. 17.

REV. MACAULAY SHOWS FAVOR

The Xenia Gazette.

Gentlemen:—
Through your valuable columns permit me to express for myself and all the members of my family our thanks for the many kindnesses shown us during the six years that we have lived in this city, and especially during the closing days of our sojourn here. It has all contributed to make our leaving harder and easier—and as we leave for a new field of labor we carry with us very precious memories of friends and friendship which will linger long to make the way brighter and the task easier. We shall always have the keenest interest in following the history of Xenia and our many friends here through the changes and advancements of this new day—and sincerely pray that a fine share of contentment and happiness may be in store for each one.

Very sincerely,
G. S. MACAULAY AND FAMILY.

MASQUERADE PARTY HELD AT FIFER HOME

A wonderful variety of masquerade costumes were worn by the guests who attended the social given by the Pythian Sisters at the home of Mrs. Fifer Monday evening. The affair was planned as a farewell to Mr. and Mrs. Charles D. Snider who early in November will go to Florida to spend the winter.

Autumn leaves, pumpkin lanterns and candles made a pretty Halloween effect. Old time Halloween games and contests were featured and Miss Nellie Wilson was awarded the prize in an apple contest. Mrs. J. E. Lewis and Frank Hurley were given prizes when judges decided that their costumes were more unique and original than any worn by the guests. Pumpkin pie, ginger bread, and coffee were served.

CELEBRATE 20TH YEAR OF SMITH WEDDING

About a hundred and fifty guests gathered last Thursday evening at the beautiful country home of Mr. and Mrs. Howard Smith near Selma, the occasion being the celebration of their twentieth wedding anniversary.

About the house in the spacious rooms which had each its own color scheme, and on the porches, potted plants, bouquets of red and gold maples and holly sprays were arranged. The plain and chandeliers were draped with green tulle. Bowls of roses, tall vases of chrysanthemums and baskets of scarlet sage with tulle bows and red and green ribbon streamers assisted in carrying out the color scheme.

In the receiving line with Mr. and Mrs. Smith were Mr. and Mrs. Leming of Dayton.

During the evening spent in conversation and the proffer and acceptance of a white and gold Haviland dinner set Rigio's harp orchestra played.

A three course luncheon consisting of chicken patties, sweet potato, fruit salad, strawberry conserve, hot rolls, pink and white brick ice cream, angel food cake, coffee and mint was served to guests coming from Springfield, Dayton, Xenia, Jamestown,

Jeffersonville, Cedarville, Waynesville, South Charleston and Selma who departed at a late hour after showering upon their gracious host and hostess wishes for many years of continued prosperity.

THREE ACCIDENTS ON SAME TOE; THREE LIMP

Paul Hook, assistant pressman of the Gazette and Republican force, mashed the great toe on his left foot when he dropped a tray of metal on it Monday morning. The flesh was badly bruised and the bone injured. Dr. C. G. McPherson dressed the injury. Mr. Hook is the third employee of the paper to injure the same toe in the same manner in the last few days.

419 EGGS FROM 20 HENS IN 30 DAYS

Mr. Dougherty Got This Result in October. Plan is Easily Tried.

"I tried Don Sung and the results were far past any expectations. I got 419 eggs in 30 days from 20 hens while moulting. I think this is wonderful, as they hardly laid at all before while moulting." Frank Dougherty, 5940 E. 11th St., Indianapolis.

Mr. Dougherty bought \$1 worth of Don Sung tablets in October and wrote the above letter in November. Figure his profit on 35 dozen eggs from hens that formerly laid little or nothing.

This may sound too good to be true, but it costs nothing to find out. We'll make you the same offer we made him. Give your hens Don Sung and watch results for one month. If you don't find that it pays for itself and pays you a good profit besides, tell us and your money will be promptly refunded.

Don Sung (Chinese for egg-laying) works directly on the egg-laying organs, and is also a splendid tonic. It is easily given in the feed, improves the hen's health, makes her more active in any weather, and starts her laying.

Try Don Sung for 30 days and if it doesn't get you the eggs, no matter what the weather, your money will be refunded by return mail. Get Don Sung from your druggist or poultry remedy dealer or send 50 cents for a package by mail prepaid. Burrell-Dugger Co., 284 Columbia Bldg., Indianapolis, Ind.

Asserts New Discovery Brings Blessed Relief To Rose and Hay Fever Sufferers

Can Make It Yourself At Home At Trifling Expense

In spite of all the doubters and scoffers, a man in Kentucky, who changed his annoying and distressing hay fever into less than a mild cold, claims most emphatically that if taken in time hay fever can be conquered or at least made so harmless that it is not even bothersome.

He gave his discovery to scores of other sufferers with the most remarkable results and has recently been prevailed upon to dispense it through pharmacists to all hay fever sufferers who still have faith that nature has provided an effective remedy for this common yet miserable disease.

And best of all this remedy costs almost nothing. Get a one ounce bottle of Mentholized Arcline at any drug store, pour the contents into a pint bottle and fill the pint bottle with water that has been boiled.

Then gargle as directed and twice daily sniff or spray each nostril thoroughly.

That's all there is to it; so simple that a lot of people will say that it can't do the work; but oftentimes simple natural remedies are the best as you will find after using.

If you will make up a pint and use it for a week or ten days you need not be surprised if your unwelcome yearly visitor fails to appear.

One black mare 5 years old, big, clean, drafty type, sound, will weigh 1550 pounds. One bay gelding 5 years old, big, drafty, smooth as an apple, will weigh 1600 pounds and would make a splendid mate for preceding mare. One matched team of dark iron gray fillies, 3 years old, will make a handsome farm team, wide drafty ones. One bay gelding 4 years old, works nice and a splendid general purpose type. Three 2 year old fillies, one black, one iron gray, one bay, good draft colts. Three yearling geldings, one gray, one black and one bay, would grow into nice team, mates or fillies, above described. One weanling filly, black, sired by Imported Stallion and out of a big drafty mare, a beauty.

BEET SUGAR REFINERS IN WASHINGTON DISCUSS SITUATION WITH SENATORS: DENY NEED OF FURTHER GOVERNMENT CONTROL

Left to right, front row: William A. Glasgow and Senators Keyes, McNary, Gronna and Clapp. Back row: George A. Zabriskie, Claude A. Spreckels and Senator Kendrick.

Beet sugar refiners, headed by Claude A. Spreckels of New York, are in Washington urging congress to end the powers of control over the price and distribution of sugar, now exercised by the sugar equalization board.

This picture was taken a few days ago in Washington following a conference in which senators, members of the equalization board and sugar refiners took part. The president of the equalization board is George A. Zabriskie and its general counsel is William A. Glasgow. Senator Gronna of North Dakota is chairman of the senate committee on agriculture. Other members of the committee are shown in the picture.

FORMER ADVERTISING MANAGER OF GAZETTE BUYS PRINTING PLANT

Chester R. Hinkle, former advertising manager of the Gazette and Republican, and recently publisher of the Troy Weekly Democrat, and of the Miami Motorist, a monthly magazine devoted to the interest of the automobile owner and sponsored by the Miami County Automobile Club, has in conjunction with William Maier of Troy, purchased a half interest in the Montgomery Printing Company from G. J. Pluckebaum.

The mechanical work of the Miami Motorist has been done by the Montgomery Company. Under the new arrangement it is planned to add sixteen pages to the size of the publication embracing three new departments, for the American Legion, the woman, and the home.

Mr. Hinkle left this city to take charge of the Troy Daily Record, having purchased that paper from Walter Croy. The name of the publication was changed to the Times but the venture failed and after converting it into a weekly, the publication was discontinued. Mr. Hinkle then leased the Troy Weekly Democrat from Postmaster Charles Dale, and later began the publication of the Miami Motorist, which has proven very successful.

The publication of the Troy Democrat will be continued until the lease held by Mr. Hinkle expires, after which it will pass out of his hands, and he will devote his interest to the magazine work. It is understood that all of the equipment belonging to the Troy Times and the Motorist Office will be removed to the plant of the Montgomery Printing Company, which is a well established concern, having carried on a job business in Troy for a number of years.

IN DETROIT GROCERIES
Detroit, Mich., Oct. 29.—Acting on instructions from the state board of health, inspectors of the department of health of Detroit this morning were ordered to seize all brands of ripe olives in Detroit groceries. Bacteriologists of the state university hospital found germs of botulism poison in a jar of ripe olives served at Murray W. Sales Gross Point home a week ago and resulted in the death of five persons. A telegram was sent to the United States bureau of chemistry urging immediate investigation of California canneries to prevent outbreaks of botulism poisoning in other sections of the country.

CITY'S CONVICTS DWINDLE

Two-Thirds of Workhouse To Be Abandoned.

It was announced Monday two-thirds of the City Workhouse is to be abandoned because business there has slumped since the country went dry.

Prisoners are to be kept in the portion of the workhouse that has been used as a temporary county jail. This portion is about one-third of the jail capacity.

Smaller Workhouse Proposed

J. O. White, Director of Public Welfare, says population of the workhouse has fallen off so in the past few months that there is no need for the large amount of space the workhouse now occupies.

The saving, it is believed, will be about \$40,000, based on the cost of running the workhouse in 1918. Recommendation to reduce the size of the workhouse was made by Eugene Sheridan, Superintendent.

Fewer Prisoners

When the state went dry May 26, there were 210 prisoners. Now there are 82. The population is expected to increase somewhat in winter.

As at the workhouse, so at the city infirmary. At present there are 100 fewer inmates than a year ago, when the population was 700.

Saving at Infirmary

The cost of keeping an inmate at the infirmary is \$120. If the population at that institution remains 100 less than formerly throughout the year, then \$12,000 will be saved in a year.

Hospital Population Falling Off

At General Hospital there has been a great falling off in the number of treatments for minor injuries, such as formerly were traced to intoxication. The strong ward has had no alcoholic patients since July.

Physicians at the hospital say they expect in a few years to see a decline in the number of chronic diseases, such as are traceable to over-indulgence in alcoholic beverages.

THE SUPREME DUTY OF NEXT TUESDAY.

We are on the eve of election day,
so to speak, for next Tuesday is the
day, November 4th. All good citizens
who want to keep Ohio Dry must have
their eyes wide open for this purpose.

The liquor interests are proposing
two amendments to the constitution
of Ohio. One of these, if adopted,
would define beer containing 2 3-4
per cent of alcohol to be intoxicating,
while the law of Congress on the sub-
ject says that beer containing over
3-4 of one per cent is intoxicating.
Vote NO on this. The other proposed
amendment wants us to go back to
the old license system in Ohio. Vote
NO on this. These two proposed
amendments will be on a ballot by
themselves, known as the "short bal-
lot." Be sure to vote, NO in both
places on it.

What is known as the "long bal-
lot" is also a separate ballot. The
83rd General Assembly on Ohio rat-
ified the National Prohibition Amend-
ment. The "wets" are trying to nulli-
fy this action. Don't believe they
have any right to do this, but any
rate you want to sustain the action
of the Legislature, hence vote YES.
On this same "long ballot" is sub-
mitted the Crabbe Act providing for
the enforcement of Prohibition in
Ohio in accordance with the will of
the people when they voted the state
dry. So vote YES the second place
on this long ballot.

With Ohio jails empty under Pro-
hibition, with work-houses depleted in
population, with crime, drunkenness
and misery decreased, it would be a
crime against humanity and a dis-
grace to the State of Ohio to vote aid
and comfort to the pro-German
brewers.

And note this will you. There is a
marked decrease in the number of
alcoholic insanity cases received at
the insane hospitals of the state. In
the past there had been many such
cases committed. There was an abun-
dant of them in nearly every
hospital in the state, in addition to
the large number that sought treat-
ment in private institutions. These
men are no longer coming to the
hospitals. The closing of the saloons
has so decreased the supply that a
shortage of inmate workers has de-
veloped. Superintendents, in some in-
stances are hard pressed to find oth-
ers to handle the work formerly done
by the alcoholic detachment. It has
developed an acute shortage of avail-
able help at the hospitals, this being
one of the early substantial results of
prohibition.

Men are no longer developing in-
sanity from liquor. They are at home,
where they belong. They are at work,
as they ought to be. They are not
squandering the money they should
save for their families or for their old
age. These facts tell their own story
of the pitiful burdens that flowed
from the open saloon of the old day,
the burden placed on men otherwise
well fitted for winning success in the
world. They point out with equal cer-
tainty the burden of shame and humi-
liation that was the portion for the
wives and children of these men.

tribute when he said: "I like to come
here, for your little mammy never
scolds." Impatience runs in families.
I don't scold. My own mother never
did; my aunts and relatives do not—
so it must be a family trait. When
I hear these impatient tones I tell
mothers to be glad that their children
have good legs and arms and are not
deformed. Door mats help catch the
mud; porch scrapers catch the extra
dirt. I am tired of hearing this ever-
lasting talk about germs and mi-
crobes. I was in our village store,
where the merchant's wife clerked
"between meals," as she said. She
was dusting the ten-cent table when
her sleeve caught on a cheap plate
and it fell to the floor in pieces. How
the angry husband "ripped." He
shouted, "No wonder the men stay
poor when wives destroy property." She
made no reply. I should like to
have thrown the dishes in his face!
He was the man who was fined fifty
dollars the week before by the agent
of the S. P. C. A. for having cruelly
beaten his own horse in the stable.
His father-in-law said: "My daugh-
ter Amelia is full of the grace of
God. If she were not she could never
tolerate a life with Thomas." It does
not always "pay" to be so continual-
ly patient with tyrants. It pays to
take your own part.

PAY LAST RITE TO MEMORY OF LESTER ARNOLD

Honor to the memory of Lester Ar-
nold, and tribute to the man who half
a century ago did much to bring about
the establishment of the institution
was paid by the Ohio Soldiers' and
Sailors' Orphans' Home Tuesday when
the last rites were held for the nona-
genarian Xenian.

The flag on the staff in front of
the administration building at the home
hung at half mast during the hour of
the funeral service, and a dozen young
officers of the Home cadet battalion
in uniform, with Superintendent J. P.
Elton, attended the service at Trinity
church and the burial in Woodland.

Brief funeral services for the ven-
erable man were held at Trinity where
a large number of people gathered to
pay a tribute to the man whose ear-
lier life had been full of activities that
meant much for the community. The
pastor, the Rev. V. F. Brown was in
charge assisted by the Rev. H. J.
Jewett of Dayton, a former pastor and
the Rev. John A. White, D. D. The
Rev. Mr. Jewett spoke briefly, recall-
ing Mr. Arnold's life as he had known
it.

Grandsons and grand nephews,
of the deceased served as pallbearers;
Carl and Earl Arnold of Dayton,
Chas. L. Arnold of Bellefontaine,
Frank Keyes and D. L. Croy of Xenia
and Howard Arnold of Dayton.

Attending the funeral from out of
the city were: Mr. and Mrs. DeWitt

HI SCHOOL NOTES

The Sophomore class opened the
social year with a box social held at
the school building, Friday night. The
lower hall was decorated to give a
true Halloween background to the af-
fair. About seventy-five merry re-
velers attended and the majority were
in costume fitting the season. After
their arrival the merry-makers enjoyed
dancing, music being furnished by an
orchestra composed of Fern Jack at
the piano, Edwin Reutinger at the
drums, and Ross Sackett on the clar-
inet. Glen McFadden and Paul Box-
well acted as auctioneers and sold the
boxes in a capable manner. The pro-
ceeds netted the Sophomore class
about thirty-five dollars.

Mr. Pendry was called away Friday
on account of the death of his grand-
mother. As Miss Coffin was also out
of the city the school was without a
principal or assistant principal. Miss
McBene took charge of the school.
Miss Coffin attended the meeting

of the Northeastern Ohio Teachers
Association held in Cleveland Friday
and Saturday. This is the largest
district association in the United
States and over 10,000 teachers were
present. Some of the most noted edu-
cators of the country addressed the
meetings which were held in the Hip-
podrome.

SANDRA THE JEALOUS

BY JANE PHELPS.

I Worry Over Rose and Walter Kemp CHAPTER CV.

It was characteristic of Everett that he should feel something had disturbed me.

"You aren't as happy as when we first came home. What is it?" he asked. "Has your guest said something to hurt your feelings?"

"No there's nothing!" I hastened to reply. It was almost impossible for me to evade when he asked me a question. Yet I couldn't say Rose had talked again of me as "number two," and had discussed his affairs with Walter Kemp.

"I have noticed that many people who are on an intimate footing with others feel they can say anything they choose. It is wrong. Friendship is worth the name is worth conserving by every means in our power. But Rose is thoughtless. Don't let anything she may say cause you unhappiness."

I think he mistrusted she had talked of Leola so asked no more questions. But I could not so easily dismiss thoughts of her—the one person whom I hated. I am honest: I hated that first wife desperately. Sometimes an agonized longing swept over me to put her forever out of my life by destroying all evidence that she had lived. Then I would remember that as long as people talked of her, as long as any who knew her were alive, that would be impossible.

The next day Rose kept her appointment with Walter Kemp. This time she lunched with him. I felt terribly nervous about it, not so much because she was with him, as because I had not mentioned to Everett that she had met him. He might see them together and be displeased with both of us. But Rose came in about four o'clock fairly beaming.

"I had a wonderful time. We went way out in the country to a little road house for luncheon. Such a quaint place with honeysuckle vines hanging over the porch. We had lunch served there."

"That was nice. I am glad you had a good time." I was relieved that she had returned, also that they had not lunched in town. "Barrett Edmonds called up. He is coming in for tea."

Just then Hetty announced Barrett and we three had a really jolly time for a few moments before others dropped in—Alice Sloane and her niece, Irma Barton, and some others. After they all left and Rose and I were dressing for dinner, she said:

"Isn't that Irma Barton the woman everyone said was going to be the second Mrs. Graham?"

"Who said that?"

Walter told me this afternoon that every one thought your husband was in love with her and that she was going to be number two."

"For goodness sake, Rose do stop talking of 'number two!' You will drive me crazy. One would think it a crime to marry a widower. But it happens this time, you are wrong. Mrs. Barton was a great friend of Mrs. Graham's and of Everett. She is a friend of mine. We had a long talk not a great while ago, and she told me a lot about herself. It's all nonsense, people coupling her name with Everett's." I knew I spoke convincingly. Had Rose talked of her and Everett before I knew she was to marry his friend, I should have been hurt and annoyed.

"Well I'm glad there's nothing to that rumor. It is bad enough to have people say your husband loved his first better, without having some one claiming him now also."

I felt as if I should go mad if I heard any more about Leola. I could have been very happy at this time but for her—this woman who had died nine years before I met Everett. But how could I be contented when all the time I heard of her—my husband's love for her, which everyone seemed to think so much greater than it was for me?

Since my talk with Irma Barton—until Rose came and revived the feeling by her constant reference to "number one"—I had been far happier when thinking of Everett. Now I determined not to allow Rose to spoil that bit of content, and told her she would please me very much if she did not refer to Everett's first wife again while she was with me.

"Why, of course I won't if you are sensitive about it! I didn't suppose you cared, after all this time. I don't see how you married him if you ever minded playing second fiddle. You remember I said I couldn't."

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel. No gripping results from these pleasant little tablets. They cause the liver and bowels to act normally. They never force them to unnatural action. Dr. Edwards' Olive Tablets are a soothing, healing vegetable compound mixed with olive oil.

If you have a bad taste, bad breath, feel dull, tired, are constipated or bilious, you'll find quick and sure results from Dr. Edwards' little Olive Tablets at bedtime. 10c and 25c a box.

WOMAN JURY SOLVES DEEP LOVE PROBLEM

... But you can't understand, Judge. Only a woman can understand some things in love."

So Mrs. Goldie Drossos explained her case to Judge Joseph F. Sawicki. The judge puzzled a bit and solved the difficulty by ordering a jury of women summoned to hear the case tomorrow.

The state is endeavoring to show that Mrs. Drossos left her husband, a restaurant keeper, of Columbus, Ohio, and with her three children, came to Cleveland with John C. Buttery, 26, a window trimmer of Albany, Ala. They were arrested last week.

EASES A COLD WITH ONE DOSE

"Pape's Cold Compound" then breaks up a cold in a few hours

Relief comes instantly. A dose taken every two hours until three doses are taken usually breaks up a severe cold and ends all the grippe misery. The very first dose opens your cloggedup nostrils and the air passages in the head stops nose running, relieves the headache, dullness, feverishness, sneezing, soreness and stiffness.

Don't stay stuffed-up! Quit blowing and sniffling! Clear your congested head! Nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only a few cents at any drug store. It acts without assistance, tastes nice, contains no quinine—insist upon Pape's!

QUIT MEAT WHEN KIDNEYS BOTHER

Take a glass of Salts before breakfast if your Back hurts or Bladder is troubling you.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which excites the kidneys they become over-worked from the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive full of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.

POPULAR OFFERING MARKS OPENING OF REMODELED THEATRE

Zarrow's Big Revue, a litling, versatile musical production in three scenes proved a particularly popular offering for the opening of the new remodeled opera house and the initial production of the Standard Amusement Company Tuesday evening.

Full of lively and new song hits, featured with pretty girls and good scenery, and interspersed with clever vaudeville acts and specialties, the large audience which greeted the opening performance, was very well pleased with the offering.

Art McConnell and Ray Duncan were a chronic scream in their acts and these two comedians were bright spots in a brilliant repertoire. The opera house is being operated under a considerably different plan than formerly. The house is resplendent in its new interior decoration and the new seating arrangement, new aisle carpets, a new piano, and in order to keep it in good condition, much attention will be paid to this fact.

WELL KNOWN HOUSE OF BOWLER NOW UP

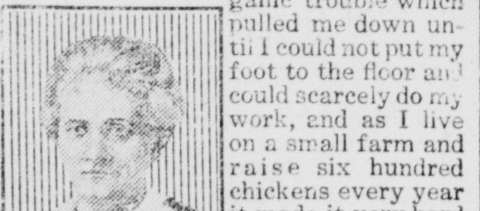

The following item from the Cincinnati Times-Star refers to the well-known Bowler house built by Miss Helen M. Ormsby, former Xenian, in Hyde Park, Cincinnati:

Judge Gusweiler in Superior court Saturday, heard an angle of one of the 50 suits in which the interests of Helen M. Ormsby, formerly of Cincinnati, which resulted in the sale of a piece of real estate for \$20,000, fees were allowed to various attorneys. Attorney August W. Bruck, in his Saturday application to Judge Gusweiler, asked that he be allowed a fee for discovering the property, whose sale enabled other attorneys to secure their fees. Miss Ormsby was formerly the owner of the famous "bowler house" in Hyde Park, which was sold to pay the claims.

Gazette Staff Gives Farewell Banquet to Former City Editor, C. Franklin Ridenour

Top Row—Waldo Beeler, Miss Rose Higgins, Ogra Creech, James M. Clifford, J. A. Chew, Mrs. Susan Williams, J. W. Clifford, R. A. Higgins.
Bottom Row—Paul Hook, Miss Jennie Barwise, James Baxter, Miss Edith Miller, E. S. Myers, C. Frank Ridenour, Clayton Swartz, Miss Katherine Landaker, F. W. Chew and Miss Janice Owens.

Nineteen members of the force of the Evening Gazette and Republican, comprising practically the entire personnel of these two papers, took part in a surprise dinner at the Elks' Club Tuesday night, honoring C. Frank Ridenour, former city editor of the two papers, who leaves soon to take charge of a Piquette daily.

Mr. Ridenour was enticed to the club by J. A. Chew, business manager of the publications, who invited him to an informal dinner. He had no intimation of the affair that had been planned for him and his surprise was complete as he walked into the dining room and saw his former co-workers gathered around tables.

The tables were prettily decorated with yellow chrysanthemums and greenery, the place of honor at the center table being reserved for the honor guest. A delicious four course dinner, consisting of tomato soup, fried chicken, creamed peas, mashed potatoes, salad, ice cream, cake and coffee was served by the Elks' dining hall service.

The place cards carried over the spirit of the Hallowe'en period and miniature Gazettes, dedicated to Mr. Ridenour were at each place. The little paper contained a picture of the departing editor, a biography, an editorial, remarks from the "devil," a roster of the force and an invitation and list of toasts on the back. The make up was a copy of the regular newspaper make-up and was a clever miniature.

E. S. Myers, new city editor of the Gazette and Republican, acted as toastmaster, and he was clever in his introduction of the speakers. J. A. Chew, business manager of the Gazette and Republican, spoke on "Oh, How We'll Miss You When You're Gone," speaking a few words in regret of Mr. Ridenour's departure, after which he presented him with a gold key to the office of the Gazette and Republican, as a token that he is always welcome in the office of these papers any time he happens to be in Xenia.

Mrs. Susan Williams was called on to speak on "Revise," J. W. Clifford

spoke on "The City Desk and the Make-up Stone," Raymond A. Higgins spoke on "Why I Like a Football Story Best of All," and W. B. Chew's topic was "Some of Frank's Boyhood Days." C. A. Swartz spoke on "Between Runs," F. W. Chew's subject was "City Desk vs. Advertising and James Baxter's topic was "On the Old Republican."

Miss Rose Higgins' subject was "Padding a Beat," while James M. Clifford's topic was "Cut This Line Out," but holding that he always passed anything he didn't like to do on to the "devil" he assigned the job of speech-making to Waldo Beeler. In all of the speeches there was a note of farewell to Mr. Ridenour. The honor guest spoke last, taking occasion to express his appreciation for the party to say good bye to his former co-workers.

On behalf of the force F. W. Chew presented Mr. Ridenour with a hand bag, the gift of everyone of the employees of the Gazette and Republican. As a finale to the affair, a flash light picture of the entire force was taken.

SPIKE THE FLU'S GUNS NOW IS THE BEST OF ADVICE
Don't Wait Till Winter Comes With a Return of the Epidemic

Where did influenza come from? Is it an old or a new foe to man? Is it breathed in from the air or drawn from human victims?

Who can anger these and other questions suggested by an epidemic that gripped multitudes of Americans last winter at the cost of tens of thousands of lives? Wiseacres try to answer them and see how they differ—especially the doctors.

But with another winter around the corner the vital question this: Has statements, signed by well known flus it comes? On the answer may hang countless human lives.

Ever since this epidemic began last winter these columns have carried statements signed by well known fluvictims whose systems were rebuilt after weeks and months of suffering by the use of Nerv-Worth. Influenza is a vicious wrecker of the nerves, the stomach, the bowels, the liver, and other vital parts of the system. Upon these are centered influenza's worst after-effects. Nerv-Worth drives out these after effects by rebuilding the organs in which they chiefly have their seat.

And what it did last winter and afterwards in rebuilding disabled organs it can and will do now to fortify them against influenza's attacks. Nerv-Worth druggists and Nerv-Worth salesmen, after freely comparing notes, declare that the fewest number of their customers who took Nerv-Worth regularly last winter and spring were visited by the disease.

Begin to take Nerv-Worth now Nip the very firstlings of influenza in the bud. An ounce of prevention is worth a pound of cure. Fortify your system by taking Nerv-Worth right along for weeks. Your forethought will not be lost even if the epidemic does not return, for Nerv-Worth steadies and strengthens the nerves adds flesh, aids digestion, whets the appetite, rouses the liver, regulates the bowels, restores restful sleep, banishes sick and nervous headache and other aches and pains, build up run-down systems; and this is a great work to do for ailing humans, influenza or no influenza.

Sayre & Hemphill sell Nerv-Worth in Xenia. Neighborhood agencies: W. F. Harper, Jamestown; C. M. Ridge, Cedarville.

HUMAN BIRD WILL PERFORM HERE NOV. 7

Charles Crawford Gorst, the "bird-man," bird song imitator, lecturer and artist, will appear at the Opera House on the evening of November 7, for the benefit of Central High School.

Mr. Gorst's entertainment is educational as well as interesting. A lover of birds and outdoor life he has devoted many years to the study of bird songs. Many of these he has recorded through the medium of a music code which he himself devised.

Mr. Gorst is a naturalist, painter, lecturer and whistler. He shows beautiful pastel paintings of the birds he talks about, made by himself. As a naturalist he has the endorsement of John Burroughs, T. Gilbert Parsons, Frank M. Chapman and others. As a whistler he out-trills the humming bird and imitates more than four hundred birds. He is a lecturer of culture and charm.

The coming entertainment is expected to be of real value to everyone and High School students expect to have no trouble selling tickets for the affair.

SURPRISE PARTY GIVEN NEAR UNION

In honor of the twenty-first anniversary of his birth, Joseph Benson was given a surprise by a company of young people at his home near Union. The party enjoyed piano and Sonora music, and games. A refreshment course was served. Those present were: Misses Mary and Sarah Benson, Martha and Iva Stephenson, Eva and Miriam Smith, Lucile Johnson, Lila Anderson, Messrs. Joseph and Harley Benson, Haines and Arthur Craig, Lawrence Brash, Raymond McKinley, Clemment Smith, Harold McCoy, Roger Fudge, Robert Craig, Mr. and Mrs. Lacy Craig, Mrs. Lewis Benson, Stacy Copsey and Mr. Mouser.

CLIFTON

O. E. Bradfute returned home from the Industrial Conference at Washington, D. C., last Saturday evening. Mrs. A. S. Lewis is spending several weeks with her daughter, Mrs. Nelson Clark, of Pittsburgh, Pa.

The November meeting of the Community club will be a Hallowe'en social at the K. of P. Hall, next Friday evening. Admission 10 cents. Refreshments.

Mrs. J. Lee Hopping and little son left Tuesday for Atlanta, Ga., where Dr. Hopping has been transferred as Railway veterinary surgeon.

The Woman's Missionary Society of the U. P. church will hold their Thank offering service at the church next Tuesday night. The meeting will be addressed by Rev. and Mrs. White, of Cedarville.

SCHOOL FACULTY ENTERTAINS PRINCIPAL

Mr. and Mrs. Orris R. Jones, whose marriage took place last week, were guests of the faculty of McKinley school at an informal evening party at the school Friday. Mr. Jones is principal of the McKinley

Junior High school, and the teachers were pleased to meet this charming young wife, who was Miss Margaret Lucile Smith, daughter of Mr. and Mrs. George C. Smith, of Alpha, Supt. and Mrs. C. A. Waltz were also presented to the company.

The lower hallway was decorated Hallowe'en fashion, with autumn leaves and pumpkin lanterns. A long table placed in one of the class rooms, was decorated with yellow and white chrysanthemums, and lighted with candles. A two course supper was served. There were covers for thirty. Mr. and Mrs. John R. Beacham and Miss Margaret Wead, of the superintendent's office, were present.

DON'T SPOIL YOUR CLOTHES.
That is why they use Red Cross Ball Blue. All leading grocers 5 cents.

When you Figure

the number of stormy nights between now and next straw hat time, it suddenly behooves a man to put in a good strong oar to get a coat that will be with him when the weather's AGAINST HIM.

Such a comforter can be bought here for as little as \$35 in a Michaels-Stern Coat that's all wool, well made and perfectly styled, and, taking into consideration the 101 cold spells between now and April 1st the cost shrinks down to approximately 35 cents a day which you must grant is little enough to pay for a place in the Sun.

And one of our \$35 coats will be with you NEXT WINTER TOO. Think it over. Winter Caps, Winter Underwear, Winter Hose, Winter everything.
